Our Success Story

"The 3D surprise is fun, creative and interactive. The location of this ad is good as many tourists frequent this station."

Kenneth Cheng
Freelance Photographer

"The sticker combination of the 2D wall, 3D floor surprise and the animal sounds makes this ad very realistic. It is definitely eye catching and it makes me want to visit the Jurong Bird Park with my friends."

Jo-Ann Elicia Teo
Student

"This execution is very unique and something I've never seen before. I am definitely bringing my family over to the Jurong Bird Park during the upcoming festivities!"
